Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in the Properties and in particular for the improvement and maintenance of properties, services and facilities devoted to the purpose and related to the use and enjoyment of the Common Properties and of the homes situated upon the Properties, including, but not limited to, operation and maintenance of recreation parks, street lights, playgrounds, streets, roads, easements and roadways, the payment of taxes and insurance thereon and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof.

Any Member, paying the annual dues on or prior to June 1 of the year in which same become due, shall be entitled to pay only the sum of Twenty-four Dollars (\$24.00). From and after June 1 of each year, the annual dues shall be thirty (\$30.00) Dollars. The assessment for any multi-family Living Units shall be one-half (1/2) of the assessment specified herein.

The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purposes of the meeting.

Section 5. Change in Basis and Maximum Amount of Annual Assessments. Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Association may change the maximum amount and basis of the assessments fixed by Section 3 hereof prospectively for any such period provided that any such change shall have the assent of two-thirds of the votes of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

Section 6. Quorum for any Action Authorized Under Sections 4 and 5. The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows:

At the first meeting called, as provided in Sections 4 and 5 hereof, the presence at the meeting of Members, or of proxies, entitled to cast sixty (60) per cent of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 4 and 5, and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments. Due Dates. The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Board of Directors of the Association to be the date of commencement. No assessment shall be due until all promised improvements have been completed by the Developer and Warranty Deeds Issued. Assessments for multi-family structures or units will not commence until completed of the construction of the structures.

UR1056701661

Page Eleven - DECLARATION OF COVENANTS AND RESTRICTIONS

The first annual assessments shall be made for the balance of the calendar year and shall become due and payable on the day fixed for commencement. The assessments for any year, after the first year, shall become due and payable on the first day of April of said year.

The amount of the annual assessment which may be levied for the balance remaining in the first year of assessment shall be an amount which bears the same relationship to the annual assessment provided for in Section 3 hereof as the remaining number of months in that year bear to twelve. The same reduction in the amount of the assessment shall apply to the first assessment levied against any property which is hereafter added to the properties now subject to assessment at a time other than the beginning of any assessment period.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

Section 8. Duties of the Board of Directors. The Board shall fix the date of the commencement, and the amount of the assessment against each site, for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment thereupon shall be sent to every Owner subject thereto.

The Association shall, upon demand, furnish at any time to any Owner liable for said assessment, a certificate in writing signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-payment of Assessment: The Personal Obligation of the Owner; The Lien, Remedies of Association. If the assessments are not paid on the date when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof, as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of ten (10) per cent per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of such action. In the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court, together with the costs of the action.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be absolutely subordinate to the lien of any first mortgage now or hereafter placed upon the properties subject to assessment. This subordination shall not relieve such property from liability for any assessments now or hereafter due and payable, but the lien thereby created

OK1056761662

Page Twelve - DECLARATION OF COVENANTS AND RESTRICTIONS

shall be secondary and subordinate to any first mortgage as if said lien were a second mortgage, irrespective of when such first mortgage was executed and recorded.

Section 11. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments, charges, and liens created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Properties as defined in Article 11 hereof; (c) all properties exempted from taxation by the laws of the State of Florida, upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

Section 12. Developer covenants that it will bear the expenses of the Association for one (1) year, commencing with the date of this instrument.

ARTICLE XXV

EXTERIOR MAINTENANCE

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Properties, in the event an Owner of any site in the Properties shall fail to maintain the premises and the improvements located thereon in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to provide maintenance upon vacant sites and shall have the right to provide maintenance upon every improved site which is subject to assessment under Article VI hereof. Such maintenance may include paint repair, replace and care of roofs, gutters, downspouts, exterior building surfaces, and other exterior improvements. Such maintenance as to a vacant site may include the mowing of grass and weeds, the trimming of shrubs, or the removal of trash and litter.

Section 2. Assessment of Costs. The cost of such maintenance shall be assessed against the site upon which such maintenance is done and shall be added to and become part of the annual maintenance assessments or charge to which such site is subject under Article XXIV hereof and, as part of such annual assessment or charge, it shall be a lien against said property as heretofore defined and limited, and a personal obligation to the Owner, as heretofore limited, and shall become due and payable in all respects as provided in Article XXIV hereof.

ARTICLE XXVI

PARTY WALLS

Section 1. General Rule of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Properties which is part of another dwelling unit, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.
